When we all VOTE,

we make sure that our leaders work not for billionaires, but for

We The People

- **Good-paying jobs** with **paid leave**
- **Quality health care**
- **Food** for our families
- Welcoming **neighborhoods**
- A stable place to call **home**
- **A right to vote** and have a say in shaping our futures

Together, we will build a future where all of us can thrive!

Here's how!

That's why it's more important than ever that you make your voting plan.

...so they can **hold on to power** and benefit their billionaire friends.

But recently, some state lawmakers have passed bills that **make it harder for eligible people to vote...**

Americans want every eligible person to vote and have a say in our future.

Make your voice heard!

We are voting because we are called to love our neighbors and make life better for our communities.

Inspired by the common good, we are voting to make life better for our loved ones, our neighbors, and ourselves.

VOTE in the 2026 elections.

We are responding with **LOVE** for our neighbors, as called by our faith,

Costs of Groceries, Health Care, Housing Skyrocket
 Raids Separate Families, Neighborhoods Suffer
 Billionaires Get Tax Giveaways

Today, we **SEE** our families struggling, while many lawmakers make billionaires richer and richer.

SEE. LOVE. VOTE.

As people of faith, we believe **loving our neighbors** means making sure **we all have what we need to live a dignified life.**

That's why we're VOTING in the elections this fall.
