

People of faith and goodwill across the country are voting in the 2026 midterm elections out of love for our neighbors and to make life better in our communities! When we exercise our freedom to vote, we build a future where all of us can thrive – including with affordable health care and housing, food for our families, good-paying jobs, and welcoming neighborhoods.

You can use this worksheet to make sure you have what you need to cast your ballot, and to help others do the same. Let's make our voices heard – make your voting plan today!
